- Drill Hub

How a player experiences hockey is crucial.

If a player has fun while developing the fundamental skills and building confidence in their ability to perform those fundamental skills, there is a strong probability that player will go on to enjoy hockey for many years.

INTRODUCTION

LEAD, DEVELOP AND PROMOTE POSITIVE HOCKEY EXPERIENCES

TOM RENNEY
Chief Executive Officer,
Hockey Canada

Whoever said those words took the pulse of a nation that has had a long and storied love affair with hockey

Hockey is Canada and Canada is hockey.

Let's face it – hockey is a touchstone of Canadian life. It is Canada's national theatre and it is the chatter of the country. Hockey is more than a sport for Canadians, it is a part of the country's heart and soul.

VISION: WORLD SPORTS LEADERS

WHAT IS THE **U15** PATHWAY?

- ❖ The U15 Pathway is a progressive, learn to play teaching curriculum. This pathway is an important transition as players get ready for the emerging high performance pathway of U15 and onto U18
- ❖ Consists of four phases of instruction, designed for recreational and competitive level players
- ❖ **Introduces, develops and refines technical** skills, individual tactics and team play to create well rounded, skilled players.

The main goal is to offer programming that meets the needs of the players who want to play the game for fun as well those that have their sights on the competitive / high performance pathway.

WHAT IS THE **U15** PATHWAY?

- ❖ Refining advanced movement skills (skating, puck control, shooting) and overall motor skills (balance, coordination, agility), while introducing and developing individual tactics, team play and strategy

THE OBJECTIVES OF THE PROGRAM

- ❖ Continue to grow their impression of hockey as a positive one for players and parents.
- ❖ Play/Games exist for fun and physical activity as well as for competition, intensity and player identification
- ❖ Streaming of the players – goal is to have players working with players of like skills to develop confidence and self esteem and preparing players for high performance

SEASONAL STRUCTURE

IDEAL HOCKEY SEASON: Refers to an optimal seasonal structure – this is a guideline and is subject to a range of minor differences regarding suggested numbers.

PREP / TRYOUT PHASE: Refers to the period of time prior to the season starting – typically when prep camps and / or tryouts are held.

DEVELOPMENT PHASE: Refers to the period of time following tryouts or evaluation prior to the regular season starting.

REGULAR SEASON PHASE: Refers to the period of time from first regular season game to the start of playoffs or Provincial / Branch Championships.

PLAYOFF PHASE: Refers to the period of time from the end of the regular season through to the end of Playoffs.

OFF SEASON: Refers to the period of time from the end of the playoff season to the start of the next Prep or Tryout season. No tryouts are allowed during the off season

COMMUNITY (recreational)

DEVELOPMENT PHASE

Up To	Up To
4 WEEKS	8 PRACTICES
	2 EXHIBITION GAMES

REGULAR SEASON PHASE

Up To	Up To
24 WEEKS	24 PRACTICES
	20 GAMES

PLAYOFF PHASE

Up to 4 Weeks
Tournament Style
TOURNAMENTS
3 tournaments
12 games

TOTAL PRACTICES: 30 - 35 | TOTAL GAMES: 35 - 40

REQUIREMENTS:

- No tryouts / evaluations prior to or during the first week of school
- Must provide a minimum of 4 skates before formal tryouts
- Tryouts must be minimum 3 sessions (1 skills session / 1 small area games session / 1 formal game)
- Tournament style playoffs - no rounds
- Fair / equal ice time

RECOMMENDATIONS:

- 1 Dedicated Skill Practice per week
- 2 Seasonal Breaks (School Breaks)

U15: AGE 13-14

DEVELOPMENTAL (competitive)

DEVELOPMENT PHASE

Up To	Up To
4 WEEKS	12 PRACTICES
	4 EXHIBITION GAMES

REGULAR SEASON PHASE

Up To	Up To
24 WEEKS	60 PRACTICES
	28 GAMES

PLAYOFF PHASE

Up to 4 Weeks
Tournament Style
TOURNAMENTS
4 tournaments
16 games

TOTAL PRACTICES: 65 - 75 | TOTAL GAMES: 50 - 55

REQUIREMENTS:

- No tryouts / evaluations prior to or during the first week of school
- Must provide a minimum of 4 skates before formal tryouts
- Tryouts must be minimum 5 sessions (2 skills session / 1 small area games session / 2 formal games)
- Tournament style playoffs - no rounds
- Fair / equal ice time

RECOMMENDATIONS:

- 1 Dedicated Skill Practice per week
- 2 Seasonal Breaks (School Breaks)

U15: AGE 13-14

SEASONAL STRUCTURE

Requirements

Prep / Tryout Phase: Refers to the period of time prior to the season starting – typically when prep camps and / or tryouts are held

- 1) No tryouts / evaluations prior to or during the first week of school
 - No tryouts during Off Season Phase (Previous season including March through August)
 - No tryouts during the first week of school where school starts the week after labor day
 - Where school starts prior to labor day, there must be 4 skates / practices starting the week following labor day before tryouts commence
- 2) Must have a minimum of 4 practices / skill sessions prior to formal evaluations starting
- 3) Must have a minimum of 5 formal tryout / evaluation sessions – Recommended - 2 skills sessions, 1 small area games session, 2 games

Development Phase: Refers to the period of time following tryouts or evaluation prior to the regular season starting.

- 4) Must have a period of development time following team selection and prior to the start of the regular season

Playoff Phase: Refers to the period of time from the end of the regular season through to the end of playoffs

- 5) Must be tournament style playoffs versus elimination rounds

SEASONAL STRUCTURE

Rationale

1) No tryouts / evaluations prior to or during the first week of school

- Give MHA's and parents back the summer – season does not need to start that early only to be finished in February (Start later / End later)
- Start of school year is stressful enough for players, they do not need to have hockey tryouts start the same time
- Give MHA's a chance to get organized and begin planning

2) Must have minimum of 4 practices / skill sessions prior to formal evaluations starting

- A players first experience with hockey should not be a formal tryout – give all players the chance to get back on the ice in a more “ player friendly “ scenario
- Helps to level the playing field as not all kids have a chance to go to hockey schools or prep camps
- Give an MHA a chance to run their own prep camp instead of members spending money outside the association

3) Tryouts must be minimum of 5 formal tryout / evaluation sessions – Recommended - 2 skills sessions, 1 small area games session, 2 formal games

- Players need a fair chance to evaluate – a standard process will show transparency and consistency
- Will provide coaches with the basis of a development plan based on a solid and quantifiable evaluation.

4) Must have a period of development time following team selection and prior to the start of the regular season

- Very important to give coaches the chance to develop and improve their players skills prior to getting into organized games
- Skills before tactics, tactics before systems
- Eliminate or reduce pressure to try and win right away

5) Must be tournament style playoffs versus elimination rounds

- Give all teams the chance to play to same end point.
- All players deserve the same chance to play to the end of the year
- More teams / more players playing longer into the season
- Allows more rest and recovery within the season and the regular season schedule can be spread out
- Greater opportunity for more players to participate in different activities

SEASONAL STRUCTURE

Considerations

General Development

- Season should allow for 2 seasonal breaks (not including Christmas / long weekends – Seasonal Break would be considered minimum 5 days without a scheduled game or practice)
- Recommended maximum of 55 games per year (including exhibition / league / tournaments and playoffs)
- Recommended length of game is a 75 - 120 minute ice time
- Small Area Games in practice / Station based practices / Skill focused drills

Tryouts / Evaluations

- Players should tryout based on a specific position – but should still be allowed / encouraged to play D and F
- Players should be selected for teams based on their skill as well as positional preference

Ice Time

- Fair / equal ice time (goalies should rotate for equal number of games and / or playing time throughout the regular season and playoffs)
- All players should play both special teams, end of period and end of game situations.

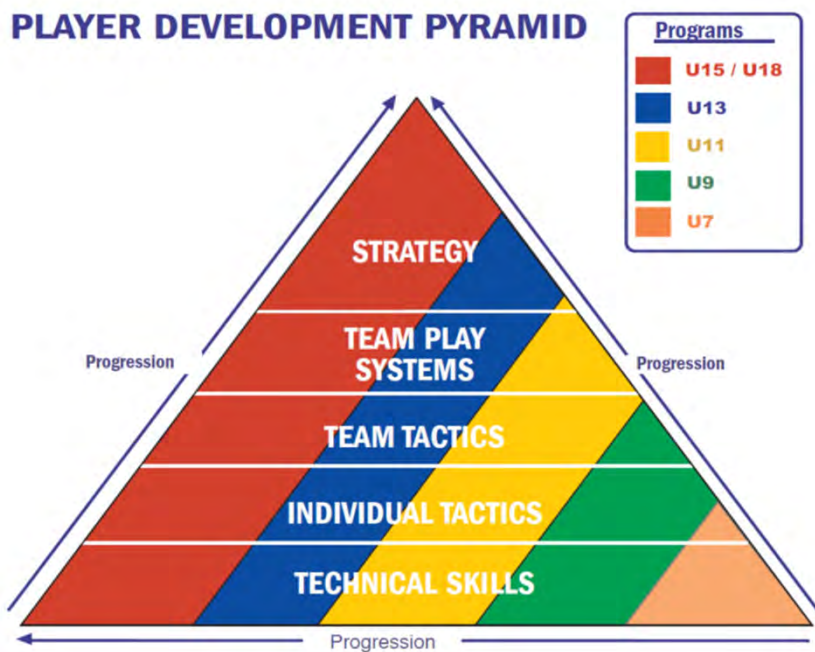

Position Specific Teaching

- Only 25% of practice time should be spent on team play and strategy / systems – 75% of practice should be on skills and tactics
- Players should rotate through both special teams positions – Power Play and Penalty Kill
- Introduce and develop position specific specialization

SEASONAL STRUCTURE

PLAYER DEVELOPMENT PYRAMID

The U15 program recommends 40% technical skills, 15% individual tactics, 20% team tactics, 15% team play, and 10% strategy.

MONTHLY GOALS

What is Hockey Canada Drill Hub?

Hockey Canada Drill Hub is a Free resource for players and coaches of all levels with a continuously growing library of:

- Drills
- Videos
- Practice Plans

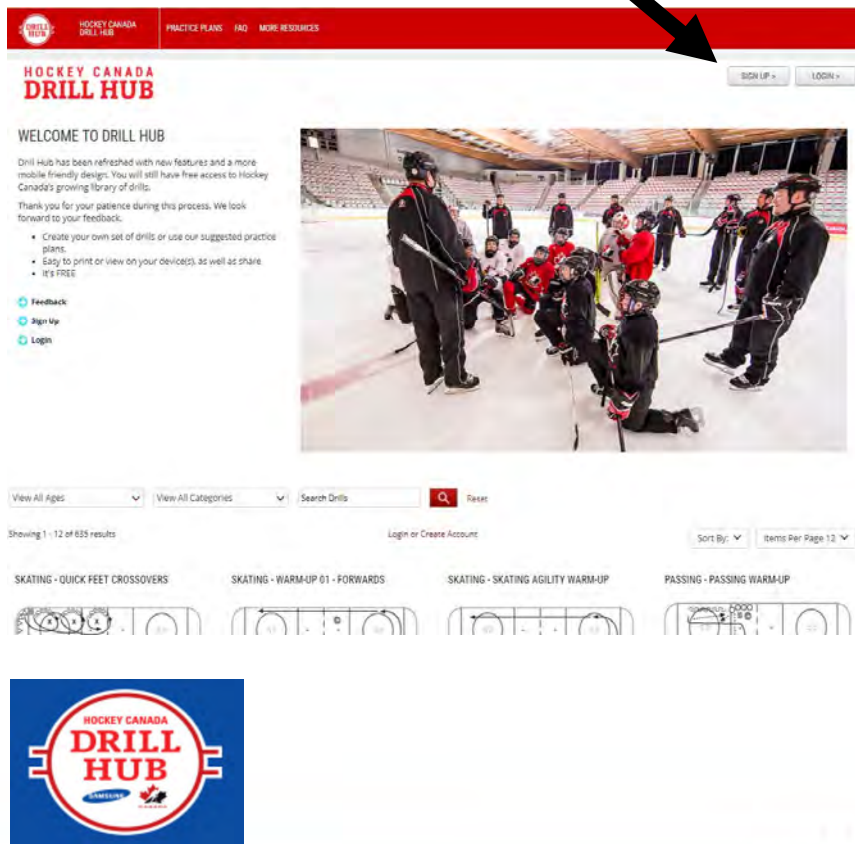

The screenshot shows the Hockey Canada Drill Hub website. At the top, there is a red navigation bar with the 'DRILL HUB' logo, 'HOCKEY CANADA DRILL HUB', and links for 'PRACTICE PLANS', 'FAQ', and 'MORE RESOURCES'. Below the navigation bar, the main content area features the 'HOCKEY CANADA DRILL HUB' logo, a 'WELCOME TO DRILL HUB' section with a welcome message and a list of features, and a large photograph of a coach on an ice rink addressing a group of players. Below the photo, there are search filters for 'View All Ages', 'View All Categories', and a search bar with a 'Reset' button. At the bottom, there are four drill thumbnails: 'SKATING - QUICK FEET CROSSOVERS', 'SKATING - WARM-UP 01 - FORWARDS', 'SKATING - SKATING AGILITY WARM-UP', and 'PASSING - PASSING WARM-UP'. Each thumbnail includes a small diagram of the drill on an ice rink.

The promotional graphic features the 'HOCKEY CANADA DRILL HUB' logo on the left. To the right, a Samsung tablet displays a video of a hockey player in a red jersey. Below the tablet, the text reads 'Practice Like Team Canada' and 'Access a Library of Free Drill Videos & Diagrams'. At the bottom, the website URL 'HockeyCanada.ca/DrillHub' is provided.

Creating an Account

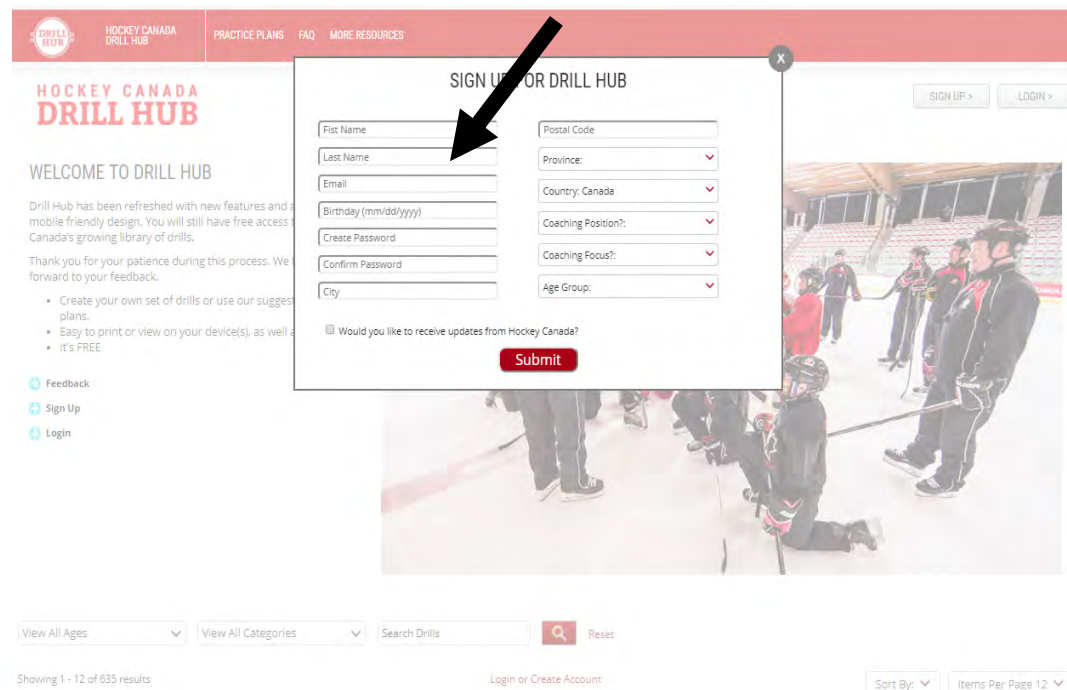

Click the *Sign Up* button

The screenshot shows the Hockey Canada Drill Hub homepage. At the top, there is a navigation bar with 'DRILL HUB', 'HOCKEY CANADA DRILL HUB', 'PRACTICE PLANS', 'FAQ', and 'MORE RESOURCES'. Below the navigation bar, the 'SIGN UP' button is highlighted with a black arrow. The main content area features a 'WELCOME TO DRILL HUB' section with a video of a coach on an ice rink. Below the video, there are search filters for 'View All Ages', 'View All Categories', and a search bar. At the bottom, there are category tiles for 'SKATING - QUICK FEET CROSSOVERS', 'SKATING - WARM-UP 01 - FORWARDS', 'SKATING - SKATING AGILITY WARM-UP', and 'PASSING - PASSING WARM-UP'.

Fill in your information and click *Submit*

The screenshot shows the Hockey Canada Drill Hub sign-up form. The form is titled 'SIGN UP FOR DRILL HUB' and is overlaid on the homepage. The form fields include: First Name, Last Name, Email, Birthday (mm/dd/yyyy), Create Password, Confirm Password, City, Postal Code, Province, Country (Canada), Coaching Position?, Coaching Focus?, and Age Group. There is a 'Submit' button at the bottom of the form. Below the form, there are search filters for 'View All Ages', 'View All Categories', and a search bar. At the bottom, there are category tiles for 'SKATING - QUICK FEET CROSSOVERS', 'SKATING - WARM-UP 01 - FORWARDS', 'SKATING - SKATING AGILITY WARM-UP', and 'PASSING - PASSING WARM-UP'.
